Founder & President, The BDS Agency

The BDS Agency, LLC exclusively advises, markets, and represents basketball coaches to assist them in reaching their professional and financial goals. The BDS Agency works with our clients in the areas of career counsel, career development, marketing, job placement support, job interview preparation, and contract negotiations. Since 2014, 15 of our clients have become first-time Division I Head Coaches, while numerous other clients have advanced their careers through obtaining other Division I Head or Assistant Coach and Division II and III Head Coach positions.
